"Fostering Relationships Between People"

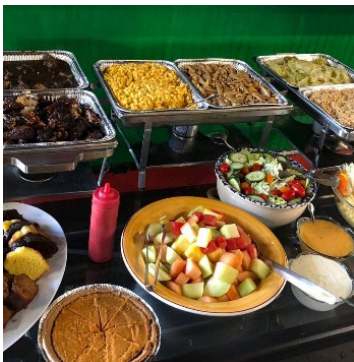

March 26, 2019

Greetings Everyone,

I would like to say a special thank you to the fabulous panel of Women's History Month Luncheon Speakers: Jennifer Hanson, Sung Hui Lewis, Teri Evans, and Tres Hamilton. Hearing each of their individual stories was inspiring. They have become role models to inspire not only women but all under-represented minorities.

March is our third month in a row that we celebrate record breaking attendance! We welcomed 18 first time guests, 8 became brand new members, with a total of 44 in attendance! I have heard words of elation from several members and guests and I look forward to seeing you all again soon!

Please join us on **Saturday, April 13th, 2019** at The Island Jerk Shack, 5719 Altama Avenue, Brunswick for our April Unity in Diversity Luncheon. In Observance of Child Abuse Prevention Month; our theme is **"Overcoming Childhood Trauma"**. Guest speakers are: **Dominique Mack Collins**, Community Services Director, Coastal Georgia Area Community Action Authority; **LaTanya Roberts**, Program Director, Glynn Safe Harbor Children's Advocacy Center & **Connie Smith** Rape Crisis Center; **Kathryn Munro**; Behavioral Health Counselor, Coastal Community Health Services.

This month to streamline the ordering process, we are trying a new buffet style luncheon, doesn't this table look delicious! Choose from several popular menu options, including dessert and a drink (Tea, Lemonade or Water) for one low price. Hope to see you there!
