MAY 2, 2016

Our 5th International Festival was a success... Thank YOU!

Even threatening thunderstorms could not dampen the spirits of attendees and participants in the **Fifth Annual International Festival**, held on Friday, April 22, 2016 on the campus of

College of Coastal Georgia. The Festival is held each Spring in partnership between CCGA and the Robert S Abbott Race Unity Institute. It is a celebration of the diverse cultures that make up the Golden Isles, expressed through music, food, art, cultural displays, and activities for kids.
